

Miami- Dade Superintendent's Honors Music Festival 2020-2021

Adjudication Sheets and Rubrics

Dear Applicants,

In an effort to align our standards with those of the Florida Music Education Association component strands we will be adopting the Florida Vocal Association, Florida Band Association, and Florida Orchestra Association adjudication forms for solos, small ensembles, and large ensembles. These are the forms used for District Solo and Ensemble Evaluation, as well as District Music Performance Assessments. The adjudication forms and rubrics can be located through the component websites. For your convenience we have also gathered them in a google drive folder, which is open to the public. Please review these documents with your student applicants in elementary, middle, and high school. Please direct questions to infodcmea@gmail.com.
